WELCOME TO QUEEN

In the 1970s the world was set upon by a cyclone of musical energy and innovation that strutted, crooned, wailed,

and blasted its way across international stages. It was equal parts Mick Jagger, Liberace, and Enrico Caruso. That force, naturally, was Freddie Mercury. His band, aptly (and none-too-subtly) named Queen, changed the sound of pop music forever. He also changed the face of AIDS, being one of the first public figures to succumb to the virus.

You already know much of Queen's music, even if you don't realize it. Today these songs will be presented in their operatic/choral/heavy metal glory, as only 200 (mostly) gay men can do. Hopefully you will relive fond memories of the first time you heard "Somebody to Love" or "We Are the Champions" as well as discover some new favorites.

While there are many issues facing us in these challenging times, we must remember to have fun. That is largely why we chose this concert for Pride - the songs of Queen are the

essence of enjoyment. But they are also remarkably well-written; the fact that Queen is just as popular today as they were in the 70s and 80s is a testament to their quality. And, one must say, to the undying appeal of Freddie Mercury's let-it-all-out persona and freak-of-nature voice.

Seattle Men's Chorus and Seattle Women's Chorus take great pride in performing works that speak to our vision of a world that accepts and values all citizens. We also take substantial pride in performing music of the highest quality, utilizing well-known pieces from popular artists to deliver a show worthy of their supreme talents. It becomes all the more powerful when those artists are incomparable individuals to whom the LGBT community can look as an icon in our world.

Thanks for being part of our 35th season. It's been an amazing ride. Enjoy your summer and see you at Saint Mark's Cathedral in October for *Hallows in the Cathedral: Spirits Rising*, performed by Seattle Women's Chorus.

Dennis Coleman, Artistic Director

CELEBRATING PRIDE - CREATING CHANGE

Welcome to our tribute to the music of Queen. Whether you were original fans of the band or know the songs as retro-chic, get ready to rock!

We're proud to be singing for you.

Our community has come a long way since Freddie Mercury turned heads in the 70s. But for all the progress we have made, I recently read a sobering statistic from the Southern Poverty Law Center: anti-LGBT hate groups in this country have grown 150% just since 2010. Laws may change quickly, but deeper changes in cultural values take time. That's our

forte! Our voices still play an important role in helping to create change that spreads and change that sticks. In that spirit, I hope you will make or renew a tax-deductible gift to support the work of Seattle Men's Chorus and Seattle Women's Chorus. We can't do it without your help.

I'd like to give special thanks to our season subscribers for their loyal support. As you probably know, the coming 2015-16 season will be our farewell to our inimitable Artistic Director, Dennis Coleman. We have an amazing lineup of SMC and SWC concerts that will bring you on a fabulous journey—we'll take you *Home for the Holidays*, whisk you off to NYC for *Everything Broadway*,

board you on a bus to girls *CAMP...* and beyond. Renew your subscription (or join us as a new patron) to get guaranteed preferred seating and save up to \$12 per ticket! Watch your mailbox in July for the season brochure and your chance to get the best seats for an unforgettable year.

As we celebrate the Pride season here in Seattle and around the country, here's to a year filled with increasing equality, justice, and joy for all people.

Rock on,

Steven F. Smith, Executive Director

WHO'S WHO

Dennis Coleman

Artistic Director, Flying House Productions

Dennis Coleman was appointed conductor of Seattle Men's Chorus in May, 1981, less than two years after the organization's founding. Under Coleman's leadership, the Chorus grew

quickly in membership size and audience attendance and soon became well-known throughout the region for their entertaining and musically varied concerts. Now, after three decades as Artistic Director, Coleman is recognized nationally as a founder of the GLBT choral movement and has led Flying House Productions to a position as one of the most successful and largest community chorus organizations in the country. Coleman also serves as the founding Artistic Director of the Seattle Women's Chorus which has matured musically and established their own audience base. Together, SMC and SWC sing with a combined membership larger than the Mormon Tabernacle Choir, a distinction in which Coleman delights.

Coleman has served on the national Board of Directors for Chorus America and was a founding Board member for the Gay and Lesbian Association of Choruses (GALA). He has received numerous awards including the 2010 Mayor's Arts Award and the establishment of a scholarship fund for GLBT music students that is managed by the Pride Foundation. In August 2014 he acted as Choral Director for Gay Games 9 in Cleveland.

As a UCC church musician, Coleman has conducted the choir of First Congregational Church of Bellevue since 1981. The 50-voice choir has toured Europe three times, New Zealand in 2005, South Africa in 2008, Peru in 2011, and Croatia in 2014.

Steven F. Smith

Executive Director, Flying House Productions

Steven F. Smith has provided transformative leadership for a diverse array of performing arts organizations. Most recently he served as

Executive Director of Revels, a \$1.4M multidisciplinary theater company, where he led a successful financial turnaround and revitalized the audience, growing attendance by 21% over a four year period. From 1995-2010 he led the acclaimed Boston Gay Men's Chorus through an unprecedented period of growth in which he tripled its annual audience and grew its budget four-fold. Earlier positions included production for Northeastern University's Music Department and coordinating the residency of the Pittsburgh Symphony Orchestra at the Great Woods Center for the Performing Arts. Steve also managed an international roster of concert organists and English cathedral choirs for Karen McFarlane Artists Management.

Steve has consulted with over a dozen small and midsized non-profits and given seminars on strategic planning, audience development, and fundraising for ArtsBoston, Greater Boston Choral Consortium, GALA Choruses, and Chorus America. In recent years he has served multiple terms as a board member and officer for ArtsBoston, GALA Choruses, and the Greater Boston Choral Consortium. He is a magna cum laude graduate of the Arts Management program at Baldwin-Wallace University and was selected by the Massachusetts Cultural Council to attend the Achieving Excellence Executive Leadership Program for cultural organizations at Harvard University's Kennedy School of Government.

Eric Lane Barnes

Associate Artistic Director, Flying House Productions

Eric Lane Barnes is a nationally known writer, composer, playwright, and director. Eric writes for and directs the vocal comedy ensembles Captain Smartypants and

Sensible Shoes. Barnes' list of choral commissioners includes The Esoterics, The Gay Men's Chorus of Washington DC, The New York City Gay Men's Chorus, The San Francisco Gay Men's Chorus, Sound Circle, and The Turtle Creek Chorale. Several of his pieces are published through Shawnee Press, including "Landscape,"
